This is an extremely limited offer. Once places are filled we are unlikely to make the same offer at the same terms in the near future.

We have a dedicated treatment rooms and a mini spa in the newly redeveloped Queensgate Hotel.

Yes. The gift options start from 6 months membership and we think this would be a great gift for that someone special in your life.

Yes, you can give away your own monthly treatments two times a year after you've been a member for 6 months.

We would be delighted if you introduced a friend. If, because numbers are limited, we can't offer them membership, we will put their name down for the next offer (but, terms may differ).

### This offer seems too good to be true? How can you afford it?

It's all down to how we manage our overheads. In our hotel setting there is a lot of flexibility on things like rent, rates heating, reception costs, and so on. This offer is a genuinely new way of giving value to our customers. There are no shortcuts in the quality of the treatments or the qualifications of the beauty therapists.

### Why don't other beauty salons offer anything like this?

Others may have higher rent and higher costs to deal with. We have come up with this innovative way for you to look good and feel good at a price that you can afford.

### What if I am not happy?

You can cancel your membership. If you wish to rejoin later, you can if places are available. If sold out you will need to wait for a new allocation.

### What we ask in return:-

We expect you to pay by monthly direct debit. Minimum 6 months. After that, you can cancel giving one month's notice. Treatments must be booked in advance. For full terms and conditions see our website.
